

Hi Parents,

I will be in the Xavier Room this Friday, August 12 for any parent who would like to deposit money on their child's lunch account. We ask for \$50.00 to \$75.00 deposit for those children who purchase lunches regularly. If your child is only going to purchase milk, we ask for \$20.00 deposit. This account is used as a debit account. For any new parents, your child is given a 4-digit number that is maintained here at the school. Their numbered card is given to them prior to lunch so they can punch their number on the keypad in the cafeteria. Lunches are still \$3.50 including milk however, milk alone is now 50cents.

If your child is lactose intolerant, water may be substituted with the lunch, provided you have a letter from your doctor stating the child has a milk allergy. Water alone is 60 cents.

This year snacks will be sold to the 4th-8th grade students one day a week on Thursday. Examples of prices are a bag of chips are \$1.00, gummy candy 50 cents, bars like rice Krispy bars are \$1.00. Ice cream at 75 cents will also be sold to the 4th-8th graders on Thursdays from August through October and then again from April through May. If you do not want your child to buy snacks send a letter to me stating such and it will be noted on their lunch account.

PLEASE do not send in \$3.50 every time your child buys a lunch. You may send in smaller amounts if they are only going to buy once or twice a month.

You will receive a note once your child's lunch account drops to \$5.00 or below. I will keep sending notes until the account is replenished, mainly because I am not sure you received the prior ones.

For all returning parents, you may write a check stating how you want the monies divided, if need be, and drop it off in the provided basket at open house instead of waiting in line behind the new parents. One check per family is fine. You may also write a check and have your child bring it in the first day of school in an envelope marked lunch. Please make sure that your child's name is also on the envelope.

I am attaching the August Lunch Calendar and please note that there will be lunch and milk provided the first day of school.

Any questions let me know.

Thanks,

Joyce Dolinar
