Medina preschool families,

We are pleased and excited to offer a free Kindergarten readiness program to you. Ready to R.O.L.L. is open to all incoming Kindergarten students, regardless of the school your child will be attending. Ready to R.O.L.L. will offer 5 nights of kindergarten readiness activities focusing on literacy, math, motor development, and social-emotional development. Our preschool and kindergarten staff, along with the assistance of the St. Francis Xavier school faculty, have volunteered to teach parents and children some of the skills necessary to succeed in Kindergarten. We hope you will join us for as many of these evenings as you are able.
