## Learn Standardized Test Taking Techniques & How to Increase Your Score on the HSPT!!!

We would like to announce an exciting opportunity for your rising 8<sup>th</sup> grade student. Rose-Marie Janesz, President of Test Preparation & Tutoring Services will be offering several HSPT test preparation classes this summer. These classes prepare nearly 1,000 elementary school-aged children each year in the Cleveland-Akron area. Her proven strategies and techniques have **increased** student's HSPT test scores as much as **15-35 national percentage points** – allowing students greater scholarship awards as well as entrance into their first choice school.

Most area Catholic high schools offer **4-year renewable scholarships** based on placement test scores, and nearly all use placement test scores for **honors “track” placement** and **admission**.

Students will **take a full-length practice test** as well as learn guessing strategies, content knowledge, estimating skills, time management skills, how to handle test anxiety and gain confidence. Students will receive study guides, math-formula flash cards, vocabulary list, an 800-page HSPT manual with 5 HSPT practice tests, and a full-length HSPT practice test with scores.

### ***HSPT Class – Zoom Opportunity (Total Cost: \$99)***

(Class administers **ONE** full HSPT test. Pick one from each column. Class selection dates can be staggered if desired)
