

Seventh Grade Summer Reading

Dear Parents of Seventh grade students,

Happy Summer! Your child has worked hard throughout the school year and we would like to continue to help keep them engaged over the summer months. Research shows that students who continue to be academically engaged over the summer, have a successful start to the school year. Attached you will find a list of summer reading book options for students entering 7th grade for the upcoming school year. This summer reading assignment is to be completed before students return back to school. Students are required to read one book from the list that is within their reading range and one that has not been read before. After your child has read their book selection, you will find questions at the end of this document to be completed. Also, you will find a one pager template with directions. The assignment needs to be **typed** and the hard copy will be due the first day of school. Students will also be required to take a reading comprehension quiz through the school's Accelerated Reader program when they return to school. Relax and enjoy your summer.

If you should have any questions, please feel free to reach out to Mrs. McAllister at Mcallister@sfxmedina.org

One Pager Directions

A one pager is a way to visually share key ideas and information from what you have learned. When you create a one pager, you are trying to use both visual symbols and important words to clearly and concisely share your most important takeaways with someone else.

For this one pager, I've provided you with a template.

Here's what it **MUST INCLUDE**:

- A border that includes words **and** images to represent the main topics of the book.
- In the upper left hand corner, words **and** images that show the setting in some way.
- In the upper right hand corner, words **and** images that represent the main character(s)' personality. Make sure you name the character(s).
- In the middle, three important quotations from the book.
- In the lower left hand corner, draw an important scene and write words describing what is happening.
- In the lower right hand corner, images **and** words that connect the text to other texts or to what is going on in our world today. The words should explain how it connects.
