

Sixth Grade Summer Reading

Dear Parents of Sixth-grade students,

Happy Summer! Your child has worked hard throughout the school year and we would like to continue to help keep them engaged over the summer months. Research shows that students who continue to be academically engaged over the summer, have a successful start to the school year. Attached you will find a list of summer reading book options for students entering 6th grade for the upcoming school year. This summer reading assignment is to be completed before students return back to school. Students are required to read one book from the list that is within their reading range and one that has not been read before. After your child has read their book selection, you will find questions at the end of this document to be completed. The assignment needs to be **typed** and the hard copy will be due the first day of school. Students will also be required to take a reading comprehension quiz through the school's Accelerated Reader program when they return to school. Relax and enjoy your summer.

If you should have any questions, please feel free to reach out to Mrs. McAllister at Mcallister@sfxmedina.org
